

June 1, 2025 Official Meeting Minutes

410pm- The meeting is called to order by Jim McCrory the only member of the Laurel Woods HOA Board Of Directors, as well as Echo Management personnel Scott McCarthy, our Property Manager.

After some discussion on which direction the community is going, and our length of time in our positions we both have decided to bow out once we find a suitable replacement for our positions.

I've found REALMANAGE who is willing to take our community on, and accept mixed communities (stick built homes & modular) they will start on July 1,2025.

I will appoint Mr Kendrick who is very interested in taking over the Presidency of the board, his term will start on July 1,2025. He will be able to appoint members at his discretion. Scott has confirmed that this plan is viable.

445p- Meeting is adjourned and regular Monday business will be conducted.

Outgoing Laurel Woods HOA President
James P McCrory
